190703/12 Cotswold Friends Donation – this would actually come under the General Power of Competence. You do not need to use Sec 137. The cheque will be written at this meeting

Other matters for Cllrs attention:

Financial Regulations will need to be updated in line with NALC guidelines.

I attended an Appeal this week at Tewkesbury BC - Cotswold Hills Quarry. Cllr Moor also attended and Cllrs from Temple quiting. Notice has definitely been made regarding the idea of a “joined-up” approach with all the quarries and the proposed Stakeholder meeting was supported by all parties.
