

Parish Lift.

A helping hand in the community.

HelpLine: 01452 835675

We all share cars regularly with our friends and family without even thinking about it but there may be times when a driver has empty seats.

Parish Lift is a new online car sharing service available for communities across the west Cotswolds. Residents register their trip and we find a match for people heading in the same direction, at similar times, on a particular day; whether as a driver or a passenger. Head over to the site:

parish.liftshare.com

There are four very simple stages involved in meeting new and old friends.

up on the way!

Why Parish Lift?

Parish Lift enables organised car sharing by connecting people from across the west Cotswolds, who are travelling in the same direction, to make shared journeys. It is a community scheme tailored to the needs of parish residents and to support local communities.

Where is Parish Lift necessary?

Parish Lift is a vital service open to local residents living in rural and isolated areas across the west Cotswolds and along the route of the withdrawn 804 bus service that operated between Temple Guiting and Andoversford. Parish Lift is crucial for maintaining and improving accessibility and social inclusivity for a wide range of people.

What are the benefits of Parish Lift?

Parish Lift is an opportunity to share the costs of commuting to minimise personal expenditure, whilst reducing congestion and pollution in your local area. It is a key lifeline across areas where there are few alternative travel options available to meet everyday needs. Meet new people, save time and save money.

Who can use Parish Lift?

Parish Lift has been designed to help neighbours connect with other neighbours in their local and neighbouring villages or hamlets, to help arrange short, shared journeys to places with onward public transport connections. You may even travel as a group right to your destination... and make new friends along the way! You have to be over 18 to register.

Residents wishing to make occasional medical, social or shopping trips from the Severnhampton Parish can call on: 01242 820271

When can I get onboard with Parish Lift?

You can begin swapping details and arranging journeys with fellow neighbours as soon as you register via your Parish's Car Sharing Page. Once completed, you can then enjoy the rides! Find more tips and advice online.
